

## TOOL LIGHT COMBO MULTI CHOICE

**MULTI BATTERY**  
18V-20V

- Milwaukee or Craftman
- Ryobi
- Black & Decker
- Dewalt
- Bosch or Makita

Our LED work lights and lamps are very powerful and produce a large area of lighted coverage. They are perfect for construction crews and work sites that have to work late hours to meet deadlines and just as beneficial for other night time lighting needs. They are sturdy, dependable, and provide very bright lighting to cover an entire work site. They are also portable so they can be used anywhere. Some include portable power distribution and all of them are made of high quality, durable materials to help them withstand the normal bumps and wear and tear at construction and work sites.
